

The Courage for Carina Foundation, a non-profit organization established in 2009, was created in honor of Carina Ruth-Ann Britz, a child who was born right in your neighborhood with a life threatening illness. This organization was founded by her parents and supported by family and friends who were not only inspired by the miracle of her birth, but also by the love and support that surrounded them in the heartbreak of her death.

The Foundation's 'Carina Gift Card Fund' supports Akron Children's Hospital Haslinger Family Pediatric Palliative Care Center. The purpose of Palliative Care is to minimize suffering and enhance quality of life for infants, children, and young adults who are journeying through a chronic, complex, or life-threatening condition. The team of medical professionals at Akron Children's Hospital enabled Carina's parents to have the honor and privilege of caring for their ill daughter in the comfort of her own home surrounded by all things familiar. The Akron Children's Hospital team was available 24 hours a day to address Carina's families' questions and calm their fears. Through this experience, the need to give back was quickly instilled in the hearts of all who knew this beautiful little blessing.

The organization's main fundraising event is a 'Wine Tasting with A View' held annually in May. All funds are used to provide financial support in the form of gift cards to support families with financial hardships to purchase everyday necessities such as groceries, gas, and paying down accumulated medical expenses while their children require extensive treatment and prolonged hospitalization.

Please support the Courage for Carina Foundation by joining us as a 'Wine Tasting with A View' event sponsor. To donate, simply complete the enclosed form and return it with your donation or donate online at www.courageforcarina.org/donate/.
