

## Get Involved, Give Back, Get Business

An ever-increasing amount of chronically ill children right within our neighborhood need your help! As Northeast Ohio residents, we are fortunate to have Akron Children's Hospital, which ranks #10 in the nation, to provide world-class care for children in need. What is often overlooked, however, is the financial burden placed on these families in addition to coping and navigating through the health issues of their precious loved ones. **The Courage for Carina Gift Card Fund, which supports Akron Children's Palliative Care patients**, was started in honor of Carina Ruth-Ann Britz, a child right within your community, who passed away from a life-threatening illness before her 2nd birthday. This local family found the need to quickly give back and established the Courage for Carina Foundation, now in its 8<sup>th</sup> year of raising money for this worthy cause.

### So how can you or your organization help?

- **GET INVOLVED** Over the last seven years, the collaborative efforts of Carina's family, friends, and the community have successfully raised over \$155,000 while assisting over 800 families. Each year, the event continues to grow with last year's attendance exceeding 325 guests who enjoyed great wine, a tapas menu donated by area restaurants, and fabulous prize packages.

- **GET BUSINESS:** By contributing to this worthy cause, your organization will be at the forefront of the event via social media / Facebook pages of hundreds of attendees, Akron Children's Website and Newsletter, Courage for Carina website, email marketing, event signage, and more.
